

Choir Expectations and Procedures:

1 Sing.

2 No gum/food/drink in the classroom. Exception is a water bottle with water.

3 Make sure you are following along in the score with your music. Music should be used in class, marked when indicated, and shared equally between folder partners.

4 Work on the techniques that are taught. (posture, breathing, tone quality, blending/balance)

5 Do not be disruptive. Be respectful of the teacher and others in the classroom.

6 Hall pass procedure: Slip out quietly and get the hall pass, make eye contact with Mrs. Hayward, wait for her nod and leave quickly and return quickly.

7 Drinking fountain procedure. Slip out quietly (do not cross in front of the classroom, cross behind). Take a quick drink and return to your seat. Do not have a lineup during class. Drinking fountain may have a lineup before/after class.
